

IVERSON'S IMPORTS

To our valued customers, or as we say:

“Friends and Family”

It is truly bitter-sweet as we prepare to close our store and enter the world of retirement. We have enjoyed 47 successful years and are proud to be stepping away at a time of continued growth. We firmly believe in the “brick and mortar” retail environment and we will always cherish your partnership in this richly rewarding endeavor.

If we believe we have offered valuable customer service through exceptional staff, we especially believe that you, our customers, have passed that service right back to us. Thank you for your appreciation, dedication and positive reinforcement. You have made all 47 years delightful. It has been a great run!

See you at the Senior Center!
